THE EVANGELICAL LUTHERAN SYNOD OF NEW JERSEY
OF THE UNITED LUTHERAN CHURCH IN AMERICA

235 EAST HANOVER STREET

TRENTON 8, NEW JERSEY

April 6, 1961

Dear Pastor:

The synodical Board of Home Missions, in consultation with the Consulting Committee on Urban Work, has planned a Conference for Urban Pastors to be held on Tuesday, April 25, at Emanuel Lutheran Church, Kirkpatrick and New Streets, New Brunswick, New Jersey.

At first it was felt that only pastors serving in the immediate inner-city areas were to be invited to this Conference. However, further consideration by the Consulting Committee prompted the Board of Home Missions to invite all of the pastors of the Synod to attend, in that our Synod is serving in an area that is considered to be 90% urban.

We are herewith enclosing the program for the day and while some of the items may not particularly concern you at this time, there may well be a time in the near future when your ministry will lead you into some of the problems to be discussed.

You will note, according to the program, that luncheon and dinner are to be provided. Actually the cost for the whole program including luncheon and dinner is to be paid for from an appropriation from the budget of the Board of Home Missions. The only expense to you will be your travel arrangements.

We trust that you will be able to be in attendance for the total program. However, if you cannot make it for all day, please feel free to come for any part of the day. In order that we may make necessary reservations, particularly for luncheon and dinner, we would appreciate your completing and sending back immediately the enclosed postcard.

We are looking forward to having you with us on April 25.

Sincerely,

Howard A. Lenhardt
